This certifies _____, here referred to as mare owner has engaged one service to _____
for the mare _____, reg. No. _____ for the _____ season at \$ _____, live foal guarantee.

Munsell's, agent for the above named stallion, will herein be referred to as Breeder.

This service is subject to the following:

1. A booking fee of \$ _____ of the above fee is payable with this contract and the balance of \$ _____ plus all unpaid expenses will be payable upon receipt of an invoice or when the mare leaves the farm, whichever is first. The Breeder requires 48 hours advance notice when the mare Owner wishes to remove his mare(s) from the farm. This will allow us sufficient time to prepare the final statement so the Owner may settle his account.
2. 18% interest will be charged on all accounts in excess of thirty days. All mares left more than 30 days, without prior agreement, will be charged double boarding fees.
3. A photostatic copy of registration papers (both sides), a veterinarian's health certificate, including uterine culture, worming, and immunization records. If these are not presented upon mare's arrival, the Breeder shall have the attending veterinarian make proper tests and evaluations at the Mare Owner's expense. Tetanus and sleeping sickness injections shall be administered while the mare is being bred at Mare Owner's expense. Flu and phenopneumonitis vaccine must be given before the mare arrives. A current Coggins test shall be furnished upon delivery of mare to the breeding farm.
4. The Mare Owner shall agree that each mare offered for breeding shall be in sound breeding condition and free from infection or disease. Any mare certified by the attending veterinarian not to be, in his opinion in sound breeding condition shall not be bred. A Mare Owner may substitute another mare within that breeding season.
5. The Breeder agrees to diligently try and settle the above named mare and shall have sole discretion of determining the best method of breeding such mare. If, however, the mare does not settle, the Breeder shall be held harmless. There will be no guarantee of a live foal for any mare leaving Munsell's Paint and Quarter Horses, before being checked safe in foal by the attending veterinarian.
6. Live Foal Guarantee. Live foal means the foal shall stand and nurse. It is understood that if the mare proves barren, aborts her foal or if the foal is stillborn, a return season will be guaranteed the following year only, providing proper notification is given. Proper notification shall be defined as follows: Written certification by a licensed veterinarian within seven days that the mare has slipped or produced a non-viable foal. Mare Owner certifies that such abortion or death did not result from any act or omission of the Owner subsequent to the mares departure from Munsell's Paint & Quarter Horses.
7. Waiver of Liability. It is understood that the breeding farm, it's owners, employees, veterinarians, and guest shall not be liable for any injury, escape, disability, or death of any horse on its premises. The above named Mare Owner, whose horse(s) are under the care of Munsell's Paint & Quarter Horses will not be liable or responsible for any damage, injury or death to the breeding farm stallions, employees, veterinarians, or other animals in the care of Munsell's Paint & Quarter Horses, whether or not caused by his horse.
8. The breeding season in force for this contract shall begin Feb. 1st and close July 1st of the year covered by this contract.
9. It is further agreed that should the above named stallion die, or become unfit for service; or, if the above named mare dies, during the breeding season then the Mare Owner may substitute another mare or breed the above named mare to another stallion on the farm that is agreed to by both the mare Owner and Breeder.
10. A breeders certificate will be issued to Mare Owner after all expenses have been paid in full and upon notification of the birth of the foal.
11. The booking fee is not refundable.
12. When the above named Mare Owner signs and returns one copy of this contract to the Breeder it will then be a binding contract on both parties, subject to the above terms and conditions. This contract is not valid unless completed in full.
